

STATEMENT OF PURPOSE

RS23272

This legislation establishes a uniform, one-year certification period for the Commission's certified education providers and instructors. The annual renewal date of June 30th coincides with other education requirements, such as the annual Instructor Development Workshop, the annual Commission Core Course, and the effective date for most law changes. Annual renewal will help ensure all education providers and instructors deliver the most current information to Idaho licensees and potential licensees. A uniform renewal date will simplify the re-certification process for instructors, providers and the Commission.

FISCAL NOTE

None to the General Fund. Additional revenue to the Special Real Estate Account, up to \$2,000 per year, from certification renewal applications. None to any state or local political subdivision.
